

Curbside at Devers

Hello Families!

We hope that you have enjoyed your summer. In an attempt to provide a safer and more orderly environment, this year Devers will be implementing a student drop off for arrival and curbside for pickup.

This service is available to students who come to school by car. If you are interested in using this, please contact the school at 717-849-1210 to sign up and get more information.

Overview:

Families will follow a traffic pattern for student drop off in the mornings and afternoon pickup.

Morning Drop Off:

*Vehicles with students in grades 3-8 should enter Priority Rd from Kelly Drive and drop students off on Priority between the basketball courts and the staff parking lots. Students will then walk to the appropriate doors. It is important to enter from Kelly so that students are not crossing the street. Students should exit from the passenger side of vehicles.

Students in PK-2 will be dropped off on Atlantic Ave and walk to their doors. Atlantic Ave will be closed to incoming traffic

If you have students on both sides of the building, please choose one side and have the oldest child, walk the youngest student to their respective doors.

Departure/ Pick Up:

All car riders will report to the gym at the end of the day. Students will be organized by number. There will be one number per vehicle. Cars should enter Priority Rd from Kelly Drive. Each vehicle will have a tag displaying the assigned number. As numbers are called students will exit door 19.

Please contact the school to get your family signed up prior to the start of school. We will begin assigning numbers August 1st and tags will be available shortly thereafter.
